BUSINESS | ADVISORY | SERVICES

Legalities, Compliance, Corporate Governance and Ethics

Client

Cape Craft Design Institute

Objectives

The programme explores registration requirements when setting up a business and seeks to explain different legal entities. It also explores the connection between the King 11 Report and the role of Boards of Directors as well as those of Audit and Risk Committees.

Tactics employed

- Demonstrating critical steps when starting a business
- Exploring stages and steps in setting up a business
- Explaining different types of business entities
- Discussing Corporate Governance

Outcomes

By the end of the workshop, delegates had –

- better insight into legalities and compliance issues
- better insight into Corporate Governance and Ethics
