Institutionalising the Council of Stakeholders (CoS) in Rural Nodes

Client

Casidra and the Department of Agriculture

Objective

The objective of the project was to assist with respect to the following:

- Strengthen existing institutional structures in order to improve their effectiveness in the planning, management and co-ordination of their action
- Assist each entity to develop its vision and mission as well as a mandate to integrate new functions and roles, and to plan accordingly
- Capacitate the entities with respect to (i.a.) corporate governance and ethics, roles and responsibilities as well as the creation of SWOT analyses for each area
- Formulate action plans
- Develop a constitution for each CoS
- Help each CoS to be registered as a legal entity

Tactics

- Election of CoS members
- Compilation of the constitutions
- Registration of the CoS entities
- Capacity building
- Profiling of towns under which the rural nodes fall

Outcomes

- Entities formed, constituted, registered and capacitated
