## **Organisational Governance Training**

### **Client**

Western Cape's Department of Economic Development and Tourism

### **Objectives**

The programme explores “cooperatives” as a business model. It looks at different types of cooperatives as well as the principles and procedures employed in running cooperatives.

It also explores how meetings are run in cooperative environment and how organisational policies are developed.

The two-day programme also covers the role and responsibilities of trustees and explores the connection between the King II Report, the roles of Board of Directors and those of audit committees

### **Tactics employed**

- Demonstrating critical steps when development a policy
- Exploring different stages in running a meeting
- Explaining the management of trusts and cooperatives
- Discussing Corporate Governance and Ethics

### **Outcomes**

By the end of the workshop delegates should have:

- ❖ better insight into Cooperatives as well as Corporate Governance and Business Ethics
- ❖ more confidence about the development of organisational policies
- ❖ more confidence about running meetings
