Management of the Grand Parade

Client

City of Cape Town – Strategic Assets

Objective of the eventual process

- Return the historical significance of the Grand Parade
- Ensure it is clean and safe
- Create an environment that promotes social and economic development

Proposed approach

- Coordinate the service level agreements of the various departments
- Manage traders
- Administer and coordinate bookings for the events
- Supervise staff on the Grand Parade
- Provide administrative services and support
- Draft weekly and monthly reports on the activities at the Grand Parade

Outcomes

Subsequent to the introduction of the process the Grand Parade's image improved continuously.
