To whom it may concern

I confirm that I have known Buyolo Business Advisory Services ("Buyolo") for the past 7 years. Buyolo is an active service provider for CapeNature. They have conducted feasibility studies for many of our tourism reserves. Their role was to advise on finances, operational models, marketing and human resources.

At all times I have found Buyolo to be professional, trustworthy, reliable, hard-working, honest and courteous.

I therefore gladly recommend Buyolo for any business/ Enterprise Development work. Should you need any further information, please don't hesitate to contact me or email me.

Yours in tourism development
