

TO WHOM IT MAY CONCERN

Date: 29th September 2014

We hereby confirm that Buyolo Business Advisory Services ("Buyolo") was contracted by the Western Cape Department of Agriculture, the programme Rural Development Coordination and CASIDRA (the implementation Agent of the Department) from December 2013 until March 2014 to perform the following:

- Strengthen existing Council Of Stakeholders (COS) in order to improve their effectiveness in the planning, management and co-ordination of their action
- Assist each entity to develop its vision and mission as well as a mandate to integrate new functions and roles, and to plan accordingly
- Capacitate the entities with respect to (i.e.) fundraising, corporate governance and ethics, roles and responsibilities as well as the creation of SWOT analyses for each area
- Formulate action plans
- Develop a constitution for each COS
- Help each COS to be registered as a legal entity (Non-Profit Organisation)

Buyolo also profiled the local areas and performed additional duties as part of their value added service.

We do not doubt their innovativeness, integrity, quality of work and open communication.

Yours Sincerely

.....
